

Exploring the World of caBIG™ with the caBIG™ Learning Management System as Your Guide

TEAPSYS

The caBIG™ Learning Management System (LMS) provides a central Web Self-Service catalog, registrar, and virtual classroom for caBIG™ participants to access learning opportunities for available caBIG™ resources and tools .

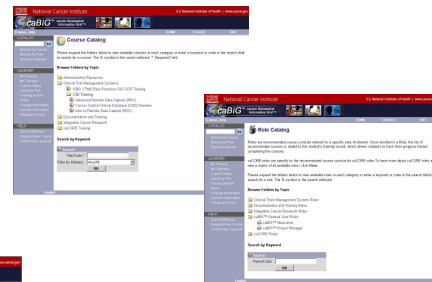

Need Training?

cabigtraining.nci.nih.gov

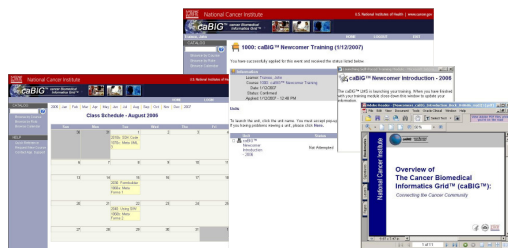

Get Started by creating your own account to register for classes.

Search for classes geared toward the roles or workspaces you are interested in.

Register for instructor-led classes and launch computer-based training modules.

Track your progress toward fulfilling your training goals.

Have Training?

Let the LMS help promote and manage your caBIG™ related training.

Submit your training details for inclusion in the central course catalog. Let the LMS assist you in handling your registrations.

Manage different types of training - self-paced and instructor-led. Use quizzes and evaluations to gain valuable feedback.

Get Started by filling out the LMS Submittal Form. For more information and to request a copy of the form, please email res-ncincibtraining@mail.nih.gov
